SECRET GARDEN

An intimate Italianate Garden, the Secret Garden is a hidden gem above the hustle of the city, for those in the know and looking to host an event with a difference.

Home to the bold mural 'Chromaoasis' by local artist Rowena Martinich, a luscious playground, full of vibrant colour, fluid and fierce, providing a contrast against the industrial design and city skyline views.

Sip on Dal Zotto prosecco while enjoying an all-Victoria grazing menu, with sounds harking back to 1920's Italia.

As Secret Garden is an outdoor venue exposed to Melbourne weather, a mutual agreement can be made with the QT team and client to postpone and select an alternative date should the weather not be in favour. Subject to availability.
