THE ART COLLECTION

QT design is a concoction of style, luxury and quirkiness, and at QT Canberra that means bold colours and vibrant patterns, the décor is eclectic, and the curated collection of pop-chic artworks cast a sly grin at the expense of the pollies.

Guests can catch a glimpse of our past and present leaders in contemporary frames and recline in bespoke furniture amongst intriguing collectables.

Beyond the daring interiors, art lovers can immerse themselves in the design rich surroundings of the NewActon precinct. The area exhibits innovative architecture and urban design with public art pieces nestled around the edges of the hotel.
