SECRET GARDEN

From birthdays to just because, name a scenario where a secluded rooftop wouldn’t suit? And for private events, you can’t get more hush-hush than the Secret Garden.

Here, we’re strong believers that cocktail parties are better with fresh garnishes from the garden. And business casual should always mean BBQ.

Lean into lush, a cocoon of green for your laid-back scene. Or vibe off the full spectrum of colourful energy to take it up a notch (or three).

The choice is yours, but we can promise this. Whatever event you’re plotting, Secret Garden will make sure it’s bloomin’ amazing.

As Secret Garden is an outdoor venue exposed to Melbourne weather, a mutual agreement can be made with the QT team and client to postpone and select an alternative date should the weather not be in favour. Subject to availability.
