

SECRET GARDEN

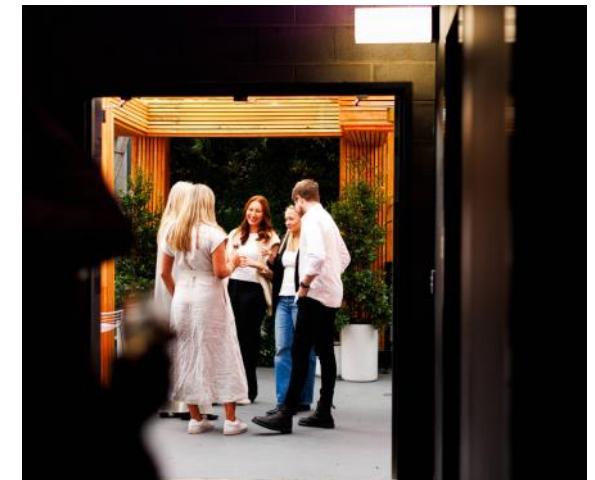

When in Secret Garden, do as the Italians do.

From birthdays to just because, name a scenario where a secluded rooftop wouldn't be *perfetto*? And for private events, you can't get more hush-hush than Secret Garden.

Here, we're strong believers that cocktail parties are better with perfectly poured spritz. And business casual should always mean BBQ, *alla italiana*.

Lean into lush, setting the scene for *la dolce vita*. Or vibe off the full spectrum of colour, turning it up *uno, due, or tre* times over.

The choice is yours, but we can promise this. Whatever event you're plotting, Secret Garden will make sure it's blooming *magnifica*.

As Secret Garden is an outdoor venue exposed to Melbourne weather, the QT team will have a wet-weather contingency plan and an alternative venue on standby in case the weather is unfavourable.
