THE BEACHSIDE DESTINATION EVERYONE'S WAKING UP TO

The sun is up on the reimagined QT Gold Coast. Is this the chicest place you'll ever walk sand through? Unlace yourself to barefoot indulgence and oceanfront deco, dripping with the promise of a never ending summer. Stay afloat between surf and sky, head poolside and swim laps in luxury. Dive, recline, spa, drink, dine, dance and never stop, this is your designer playground to explore. Follow the neons to Yamagen Japanese, wander the Bazaar Marketplace, and kick back in rooms where golden hues meet sun-kissed serenity. The rest, is relaxation.

PUBLIC SPACES

QT Gold Coast is designed to transport guests to a modern coastal escape. Designed by QT Hotels long-time collaborator and celebrated designer, Nic Graham, the hotel is inspired by 'Miami Heat' meets 'Palm Springs Chic'. A crisp black and white palette is contrasted with boho chic and bold Missoni infused patterns with a pop of Miami neon tones.

The open spaces and décor have a playful edge, which exude vibrancy and transience – an entrance installation by artist Jennifer Steinkamp, who works with video and new media, creates an intrepid design punch on arrival.

ROOMS AND SUITES

Open the door to your personal paradise. Where good times and downtime collide in a perpetual state of bliss. Follow the high tide or lay low, you choose your moment to shine. Plenty plush with Queenslander character, you'll feel right at home in the comfort of this splash pad. Playful pops of colour and chic vintage vibes, the quintessential culture of the Coast is alive and well inside. So come on in, the air is salty and the design is fine.

The 293 designer guest rooms feature a crisp and chic palette with a whole lot of vibrancy. Glistening in Gold Coast water views or the Hinterland, the boldy-designed rooms are rich in scenic luxury. Guests can indulge in a luxurious king bed and a private balcony to bask in the sunset hues. The renovated ocean view suites are enhanced with contemporary Australian art by Kate Ballis and Tom Adair, with an eccentric pop of neon amongst a boho aesthetic. Open wardrobes with bold Missoni inspired backings, beachy timber floors and chic furniture create a coastal and forever summer vibe.

Every element has been designed specifically for each room with a focus on luxury and embracing eclectic and bold design, tailored for an edgy and unforgettable QT experience.

qtQT CABINS

A destination in its own right, qtQT is a unique open-air sanctuary oozing contemporary coastal cool.
