

# QT

Incomparable views over the crystal clear Lake Wakatipu and breathtaking peaks of the Southern Alps set the scene at QT Queenstown. Sitting pretty in nature's playground, this lush lakeside resort reflects the dramatic landscape. Emulating nostalgic alpine and après-ski ambiance, all creature comforts have been considered. Indulge the senses with high-end restaurant and bar offerings, carefully curated art displays, and all of the tongue-in-cheek quirk you've come to expect when immersing yourself in QT life.

More peak alpine luxury to love.

QT Queenstown will expand its lakeside luxury to integrate the Rydges Lakeside Queenstown hotel - resulting in a total of 222 rooms.

The transformation has been dreamed up for wellness and adventure guests, featuring a state-of-the-art gym, pool, and facilities for hikers, mountain bikers, and ski/snowboarders.

The new QT rooms will be rolled out in stages throughout 2026, with the whole project set to wrap up by mid-2027.

Remarkable? We think so.
