

QT

QT Bondi is a place where things collide. Chance encounters. Sliding doors. The shoreline sculpts the wave.

We built a hotel where the pacific meets the continent, right in the heart of Australia's coolest spot. At QT Bondi, chic meets mellow, art meets fashion, gin meets tonic and travellers, entrepreneurs and locals meet to make the world their canvas.

The QT Bondi team have the insider knowledge on the best neighbourhood restaurants and bars to explore, and know just where to go to run up against something unexpected. Coming?
