THE CANBERRA WINE DISTRICT

Canberra is a budding wine region with first plantings around 1840, and founding producers including Clonakilla, Helm, and Lark Hill dating back to the 1970s. Many producers are still family owned to this day. One of Australia's coolest wine regions, the Canberra District blends the traditional and emerging in a riot of contemporary wines and wine styles that are delicious, fun, flexible and built for food.

THE GREAT HOUSES OF CHAMPAGNE

The great houses of champagne produce some of the world's most sought-after wines. One of the skills of a great house or 'Grand Marque' is to create non-vintage cuvées that carry characters that embody the house's style and philosophy. They are renowned and recognised the world over and have a reputation for being both innovators as well as custodians of champagne history.

GROWERS NOT SHOWERS – SMALL PRODUCERS OF CHAMPAGNE

The following champagnes are all made by a Récoltant-Manipulant, or Grower Producer. They are usually small outfits that make champagnes from fruit sourced from their own vineyards. They craft champagne of detail, texture, and individuality, and offer a great insight into a winemaking ideology that celebrates harvest and site over style and blend.

ONLY CHABLIS, MERCI!

Classic, definitive. To be a Chablis is a specific privilege. This small but mighty category of Chardonnay hails from the Chablis region, and nowhere else. While many expressions are pure, crisp, and unoaked made for drinking young, others see oak and reward more time in-bottle, developing depth and complexity with age. Whether fresh and vibrant or layered and mature. Chablis offers both immediate appeal and serious cellar potential. With good value and a proper vinous hit, it might have you saying "I only drink Chablis, thanks".

When simply nothing else will do. No comparisons, no synonyms, the one and only Chardonnay. All oak and buttery notes, Aussie Chardonnay kicked down the doors of the international wine scene fifty years ago. Now all grown up, our home-grown hero is thriving in a spectrum of styles.

GIVE ME SOME SKIN— SKIN MACERATED WHITE WINE (AKA. ORANGE + AMBER)

It's complicated? You're in the right place. Skin-on white wines with a little trick up their sleeve. These white grapes kept their skins and seeds, leaving you with hues of orange and amber. Tannins intact, these are bold, tart, and not for the faint of heart.

ROSÉ–COLOURED GLASSES

A whole state of mind. An anytime pink-me-up. A wine for here, now, or anytime really. Pigmented by the skin of red grapes left on for just a beat or two, rosé ranges from barely-there pale to inky pink. Light and carefree to juicy and textural, we're slinging sips to suit a whole spectrum of rosé-coloured occasions.

SMOOTH TALKING RED

Express yourself. For when the room dims and small-talk goes deeper. Juicy and full of substance, a glass to pour your heart out to. Lean into plush fruits balanced by tannins and acidity. Flavourful and versatile, these reds can hold their own against meat that's seen fire and smoke, or pair perfectly with nothing at all.

FROM THE CELLAR

In the depths of the QT Canberra cellar resides a gang of old and fancy wines. These bottles aged gracefully over the last couple of decades, are like the wise elders of the grape world, ready to impart their fermented wisdom. Uncorking one of these treasures is like unlocking a time capsule, whisking you back to an era when flip phones were all the rage and low-rise jeans were a fashion statement. With every sip, it's as if the 2000s are unfolding before your eyes. Here's to these aged marvels; proving that some things improve with time!
